

## Revise original decisions

Decisions made about a concern can be revised based on the seriousness of a student's previous breaches. You will be contacted by the Student Academic Integrity Coordinator to discuss the matter, they will then assign the concern back to you for revision and/or closure.

**Step before**    Refer to the job aid *Record investigation outcomes*.

To access the Student Academic Integrity Management System, log into Griffith Portal, and choose *Learning and Teaching, Managing your teaching, Academic integrity management*.

- Choose Manage Concerns.
- A search page will be displayed.

### Search for a concern

Enter any information you have in regard to the concern in the search boxes.

Choose Search (Search) to list submitted concerns.

The search results list will be displayed.

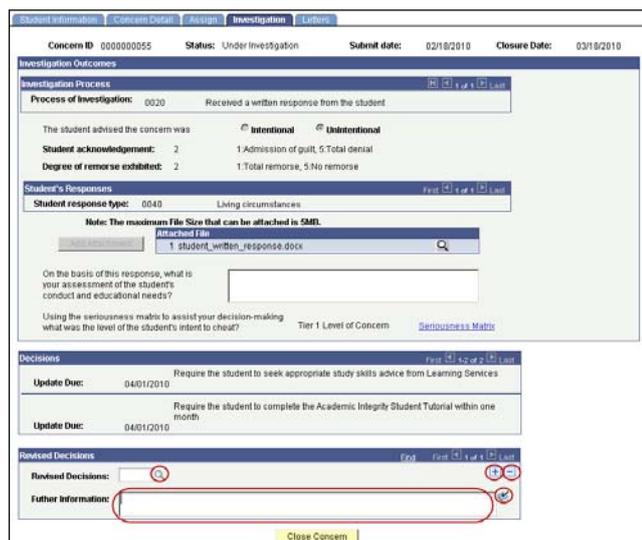

Select the concern where the original decisions need to be revised.

*Note: Concerns needing decisions revised will have the status of INVESTIGAT.*

### Investigate

If the coordinator has confirmed that the decisions will be revised a dialog box will be displayed.

The Investigation (Investigation) page will be displayed and the revised decisions area will be shown.

The screenshot displays the 'Investigation' page for a concern with ID 000000055. The status is 'Under Investigation' and the submit date is 02/18/2010. The page is divided into several sections:

- Investigation Outcomes:** Shows the investigation process with a status of 'Received a written response from the student'.
- Investigation Process:** Details the student's acknowledgment and degree of remorse.
- Student's Responses:** Shows the student's response type as 'Living circumstances' and includes an attached file named '1\_student\_written\_response.docx'.
- Decisions:** Lists two decisions with update dates of 04/01/2010, such as 'Require the student to seek appropriate study skills advice from Learning Services'.
- Revised Decisions:** Contains a 'Further Information' field, which is highlighted with a red box, indicating where revised decisions should be entered.
